UPDATE TO CLAM SLAM 2014 EVENTS

Due to the weather forecast for Saturday morning, the Clam Slam 2014 parade has been cancelled. The Shriners are very disappointed that they will not be able to participate in the Clam Slam event this year, but with the predicted weather conditions, the various maneuvers performed by the Shriners would pose a safety hazard for them and to the bystanders if done on wet roads.

The rain date for the fireworks display will be Sunday, August 3rd.

With the exception of the parade and fireworks display, all other events scheduled for the Clam Slam are rain or shine. As of this writing, no other events have been cancelled. Updates regarding events or activities will be posted on Cape Charles by the Bay as they become available.

Thank you.
