Two inspection stations have been designated by the town to inspect your golf cart:

Please call or stop by one of these locations to have your golf cart inspected or to arrange a scheduled appointment. For convenience, both inspection stations will have our 2016 Town of Cape Charles golf cart decals and the decal will be issued once the license tax fee is collected and evidence of insurance is provided. Please remember to bring with you a copy of your insurance card or certificate of insurance. If you are paying by check, a separate transaction for the license fee will be requested and the check should be made payable to The Town of Cape Charles.

Or, if you prefer, you may have your cart inspected at one of these designated inspection stations first, and then bring your approved inspection form to the Town office and we will collect your license tax fee. Once insurance certification is presented, we will issue the decal for display on your golf cart.
