**NOTE TO PROPERTY OWNERS:** If you made arrangements with a contractor to do this work, the Town of Cape Charles strongly suggests that the contractor be the party to secure the necessary permit(s). When contractors obtain a permit in their name, they indicate their responsibility for this work. When you sign this affidavit and obtain the permit(s) in your name for work performed by the contractor, enforcement actions against the contractor for code violations become difficult. When the contractor applies for the permit(s), the Town will verify that the contractor is properly licensed by the state and local laws. Unwillingness by the contractor to obtain the necessary permit(s) may be an indication that the contractor is not properly licensed. If you have any questions regarding this matter, please contact Code Enforcement at 331-2176 before signing this form.
